Yeah
Yeah
Yeah
I know it was a one night thing
Yeah
Yeah
A one night stand
Yeah
Yeah
Can we do this again?
Jason Derulo

Would ya mind girl
If I told you
Last night really blew my mind
Would ya mind girl?
No disrespect
But can we do it one more time?

Should I hit you up?
Should I just give up?
Tell me, should I just walk away?
Would ya let me in?
Should I just give in?
I need to getcha back on the stage

You're so amazing, remember the time?
Just thinkin' about ya, gives me butterflies
So open the curtains, and let me inside for more
Save the bow cause I want ya know
Baby hit me with an encore

I want some more
I want some more
I want some more
Baby hit me with an encore
I want some more
I want some more
I want some more
Baby hit me with an encore

An encore
An encore

Would ya like girl
For me to touch you
I can come and press rewind
Take it right back
Rubbin' your back
Trace your body, every line

Should I lay you down?
Should we do this now?
Tell me when
Just give me a sign
Are you in or out?
Is there any doubt?

Cause I'll make this night the night of your life

You're so amazing, remember the time?
Just thinkin' about ya, gives me butterflies
So open the curtains, and let me inside for more
Save the bow cause I want ya know
Baby hit me with an encore

I want some more
I want some more
I want some more
Baby hit me with an encore
I want some more
I want some more
I want some more
Baby hit me with an encore

An encore
An encore
An encore
Oh woah woah woah yeah

Oooooooore
Baby hit me with an encore
Oooooooore
Did ya save the bell cause I want ya now
Baby hit me with an encore

You're so amazing, remember the time?
Just thinkin' about ya, gives me butterflies
So open the curtains, and let me inside for more
Save the bow cause I want ya know
Baby hit me with an encore

I want some more
I want some more
I want some more
Baby hit me with an encore
I want some more
I want some more
I want some more
Baby hit me with an encore

An encore
An encore
An encore
Oh woah woah woah yeah

Yeah
