

# Be The One

Jason Derulo

Let me be the one that you never let go  
Let me be the song that you play on your phone  
Let me love you 'til you're old, here's my hand for you to hold  
Let me be the one  
Baby, let me be the one

I'll give you the key to the Lambo (Skrrt, skrrt, yeah)  
Take a drive, we could fly out to the beach in Cabo (Cabo)  
(Yeah, yeah) Spend the night, catch a vibe  
I put them diamonds around your neck (Oh)  
I see it so clearly, so VVS (Yeah)

You ain't gon' want for nothing  
Been down from the rip (Woo)  
Take me to church on Sunday  
And fuck up the club on Monday  
Just promise me that one day, you'll let me, let me, let me, in

Let me be the one that you never let go  
Let me be the song that you play on your phone  
Let me love you 'til you're old, here's my hand for you to hold  
Let me be the one  
Baby, let me be the one

Nobody wanna vibe in the friend zone (No)  
'Cause when it's rough  
Baby, I'm the one that you can call on (Brert, brert)  
First ring, I pick it up  
You ain't never had another ting like this (Ting)  
Blow a check, put that Patek on your wrist (Yeah)

You ain't gon' want for nothing  
Been down from the rip  
Take me to church on Sunday  
And fuck up the club on Monday  
Just promise me that one day, you'll let me, let me, let me, in

Let me be the one that you never let go (Never let go)  
Let me be the song that you play on your phone  
Let me love you 'til you're old, here's my hand for you to hold  
Let me be the one  
Baby, let me be the one

Pray, and thank the Lord, baby  
I wanna tell you something  
Real talk, baby  
Hey, I won the lottery  
With you, baby  
Thinkin' 'bout the love I made to you, na na  
And after, I just wanna lay with you, na na  
Spending every night and day with you, na na  
Baby, let me

{Let me be the one that you never let go}  
{Let me be the song that you play on your phone}  
Let me love you 'til you're old (Love you 'til you're old)  
Here's my hand to hold (Hand to hold)

Let me be the one  
{Baby, let me be the one}  
Let me be the one that you'll never let go (Oh baby)  
Let me be the song that you {play on your phone}  
Let me love you 'til you're old  
Here's my (hand for you to hold)  
Let me be the one, baby  
{Let me be the one}
