Jason Derulo

J, J, J, J, J R

I ain't never been in no nudie bar like this before  
I brought my fake ID, they let me straight through the door  
I bought a drink (drink), saw you in the back (back)  
Never seen a body like that  
Well bless ya momma, reaching in my pocket real slow  
I'm thinking to myself, "Baby what you gon' do?"

That's when you made it bobble (wobble)  
And then you made it clap (clap)  
I'll give you all my money, I don't even want it back  
It's yours

So you can put yourself through college (college)  
You can stack them dollars (dollars)  
You can make that money (money)  
Go'on make that money (money)  
A lawyer or a doctor  
You can do hair  
But tonight, shorty, I don't care

You can be anything in this world  
But tonight ya gonna be my dancer (dancer)  
You can be anything in this world  
But tonight ya gonna be my dancer  
Throw this, throw this money up, you break it down, down, down  
Throw this, throw this money up, you break it down, down, down  
Throw this, throw this money up, you break it down, down, down  
Throw this, throw this money up, you break it down, down, down

I'm so tipsy had a couple drinks now  
Baby I'm in love  
Don't think I'm 'a ever leave this heaven  
I can't get enough  
You're my style (style)  
And this is your show (show)  
As long as I can sit the front row  
(Oh!)  
Seen a lot of people do tricks  
I've never seen nobody who could do the Matrix

Mm, you made it bobble (wobble)  
And then you made it clap (clap)  
I'll give you all my money, I don't even want it back  
It's yours

So you can put yourself through college (college)

What you mean you have to go  
Tell me what I have to do  
To make you stay (to make you stay, make you stay)  
'Cause I got it, got it, got it, girl  
Just tell me what you need and  
I'll do it, do it, do it, girl  
Just to keep you from leaving

Now get it, get it, get it, girl  
Get it, get it, get it  
Now get it, get it, get it, girl  
Get it, get it, get it (oh!)  
Get it, get it, get it, girl  
Get it, get it, get it  
Now get it, get it, get it, girl  
Get it, get it, get it
