

Diamonds

Jason Derulo

Flawless like diamonds

Girl you are
Flawless like diamonds
I'm nothing without you
You keep me shining
I can't buy your love; your heart is priceless
Diamonds are forever
So I know you'll stay this way

Flawless like diamonds
Out of all the ones I've seen, you are the finest
I can't buy your heart; your love is priceless
Diamonds are forever
Diamonds are forever

Got me shining, yeah
Shining, shining, yeah
Girl, you the baddest, yeah (Yeah)
Diamonds are forever, diamonds are forever (Yeah)

Baby, baby
I need you daily
The love we making changed me, changed me
'Cause you remind me of a melody
That kind you keep on singing, singing
My pretty lady
You know you make me better
Better then I've ever been
There's no mistaking
You should be famous
'Cause baby, you are

Flawless like diamonds
I'm nothing without you, you keep me shining (yeah)
I can't buy your love; your heart is priceless
Diamonds are forever
So I know you'll stay this way
Flawless like diamonds
Out of all the ones I've seen, you are the finest (Yeah)
I can't buy your heart
Your love is priceless
Diamonds are forever
Diamonds are forever, yeah

Got me shining, yeah
Shining, shining, yeah
Girl, you the baddest, yeah (Yeah)
Diamonds are forever
Diamonds are forever

This love is forever
This love is forever, babe
'Cause you make me better (Ooh-hoo)
Diamonds are forever (Ooh-hoo)
Diamonds are forever, no, no
Woo, oh

Diamonds are forever
Diamonds are forever, babe
No, no
Diamonds are
Oh-oh
(Diamonds)
