Dumb

Jason Derulo

You could've written me a letter
You could've sang me a sad song
I thought that things were getting better, but no
Baby, I was so wrong
Never thought I could be so better
They say it ain't the same when the love's gone
I tried to force it but there's no moving on

They say forgive and forget just to ease my mind
And living with regret is just a waste of time
But this misery is all that I've got

I'm so dumb, I'm so dumb
For thinking you could love me
You're so numb, you're so numb
You can't feel it so it's easy
My love's still here, but you're not there
You broke my heart, you don't care
I'm so dumb, I'm so dumb
For thinking you could love me, no

Where was the whistle or the buzzer
To let me know that it's over?
Now I can't seem to get through the night
If her mind is over

What happened to the love?
When did I stop being enough?
'Cause damn, I been to every rehab
Nowhere to treat that sickness from your love a drug, woo

They say forgive and forget just to ease my mind
And living with regret is just a waste of time
But this misery is all that I've got

I'm so dumb, I'm so dumb
For thinking you could love me
You're so numb, you're so numb
You can't feel it so it's easy
My love's still here, but you're not there
You broke my heart, you don't care
So dumb, I'm so dumb
For thinking you could love me
I, I, I
I'm so dumb, oh

I had no choice to watch
As you ripped out and stole my heart
Over and over again
You made a fool of me

I'm so dumb, I'm so dumb (I'm so dumb)
For thinking you could love me (for thinking you could love me, yeah)
You're so numb, you're so numb
But you can't feel it so it's easy (but you can't feel it, baby)
My love's still here, but you're not there (no, oh)
You broke my heart, you don't care (you don't care)

I'm so dumb, I'm so dumb
For thinking you could love me
