

Fallen

Jason Derulo

Oh, oh, ooh
Hey, hey, hey

You are the one who makes it worth waking up in the morning
I'd trade the sun, for the chance to show you I'm all in
We could be like Jay and Beyoncé, Bonnie and Clyde
Us like a movie
Take that chance on love, yeah

Now I can't predict what the future holds (Holds)
But I'll fight forever to keep you close, yeah

I'd give it all up, baby
Trade in the world to show I'm falling, I'm falling, yeah
Don't need the fame or money, long as I got you, girl
I'm falling, I'm falling
Tell all them other girls I've fallen
Oh, oh, ooh
Hey, hey, hey

Put me to the test, I'll prove to you I'll never be a heartache
'Cause you're the best, ha, you deserve the best
Rule this world like Michelle and Barack, be my girl, we'll end up on
top
Take that chance on love, yeah

Now I can't predict what the future holds (Holds)
But I'll fight forever to keep you close, yeah

I'd give it all up, baby
Trade in the world to show I'm falling, I'm falling, yeah
Don't need the fame or money, long as I got you, girl
I'm falling, I'm falling
Tell all them other girls I've fallen

Oh, I want the world to see (See), so I regulate some jewelry (-Ry)
To show you I'm not ashamed I'm falling, falling, yeah
I'm telling all them other girls (Girls), and everybody around the wo
rld (world)
I told you, girl, I'm not ashamed I'm falling, falling, yeah, yeah
I'll give it all up, baby, trade in the world to show I'm falling
I'm falling, yeah

I'd give it all up, baby
Trade in the world to show I'm falling, I'm falling, yeah
Don't need the fame or money, long as I got you, girl (No, I don't)
I'm falling, I'm falling (I'm falling, baby)
Tell all them other girls
Tell all them other girls
Tell all them other girls
I've fallen
