

# Givin' Up

Jason Derulo

I'm giving up, yeah  
I'm giving up, yeah  
I'm giving up searching, searching, searching to find  
Finally found the one, it's you

It turns me on when I wake up, you're wearing my shirt, no makeup  
You're singing real loud when we make love, woo, ooh, ooh  
The only one I tell all my problems, one smile, no words, you solve 'em  
Oh, how your body sings, woo, ooh, ooh

No matter, what you say, you always sound sexy to me  
That's when you know, oh, oh, you know, oh, oh  
When your skin touches mine, I just wanna love you, all night  
That's when you know, oh, oh you know, oh, oh

Oh, nothing (oh, nothing)  
Nothing else matters to me  
Oh, no one (oh, no one)  
No one makes me feel this way  
I've been searching, searching, searching to find  
Finally found the one, it's you  
I've been searching, searching, searching to find  
Finally found the one, I'm through  
I'm giving up, yeah (up)  
I'm giving up, yeah (up)  
I'm giving up searching, searching, searching to find  
Finally found the one, it's you

Yeah, I love it when you wanna put my chain on, playing in bed, throw the ga  
me on  
Not watching for long, here's the same song, woo, ooh, ooh  
Ooh, how you whisper, you got me, then you kiss every inch of my body  
You're touching every tattoo, like woo, ooh, ooh

No matter, what you say, you always sound sexy to me  
That's when you know, oh, oh, you know, oh, oh  
When your skin touches mine, I just wanna love you, all night  
That's when you know, oh, oh you know, oh, oh (oh, that's how I know)

Oh, nothing (oh, nothing)  
Nothing else matters to me (oh, no)  
Oh, no one (oh, no one)  
No one makes me feel this way ('cause I, 'cause I)  
I've been searching, searching, searching to find  
Finally found the one, it's you (it's you)  
I've been searching, searching, searching to find  
Finally found the one, I'm through

I'm giving up all those games, all my time  
Tell the world you're mine  
Like, like, woo, ooh, ooh  
Like, like, woo, ooh, ooh  
I'm giving up all these girls, player's life  
Tell the world you're mine  
Like, like, woo, ooh, ooh  
Like, like, woo, ooh, ooh

Oh, nothing (oh, nothing)  
Nothing else matters to me  
Oh, no one (oh, no one)  
No one makes me feel this way ('cause I been, I been)  
I've been searching, searching, searching to find  
Finally found the one, it's you (finally found the one)  
I've been searching, searching, searching to find (woo, ooh, ooh)  
Finally found the one, I'm through  
Oh, nothing (oh, nothing)  
Nothing else matters to me (no, no, no)  
Oh, no one (oh, no one) (yeah)  
No one makes me feel this way (whoa, oh, oh)  
I've been searching, searching, searching to find  
Finally found the one, it's you (whoa, oh, oh)  
I've been searching, searching, searching to find  
Finally found the one, I'm through (oh yeah, oh yeah)  
I'm giving up, yeah (oh yeah, oh yeah)  
I'm giving up, yeah (oh yeah, oh yeah)  
I'm giving up searching, searching, searching to find  
Finally found the one, it's you (okay)  
Finally found the one, it's you
