Goodbye

Jason Derulo

Time to say goodbye
But don't leave me alone, just stay for the night
I need you, I need you tonight
(Derulo)

Oh, it's three in the morning
When you want some, you phone me
One word in Español, babe
And I come and you know (Whoo, uh)

In Jamaica, they roll it (Roll)
Girls in Spain do the mostest (Whoo)
But only you got my focus

Girl, I'm down for your lovin'
(Down for my fatty, fatty)
Down for your lovin'
(Down for my naughty, naughty)
Down for your lovin'
(I'm giving you lovin')
Stay with me 'cause

It's time to say goodbye
But don't leave me alone, just stay for the night
I need you, I need you tonight
(Baby, you know that it's time to say goodbye)
(But don't leave me alone, just stay for the night)
I need you, I need you tonight
(Baby, you know that it's)

But don't leave me alone, just stay for the night
I need you, I need you tonight
Baby, you know that it's time to say goodbye
