You shining bright just like Rihanna-na (Shine)
Always be fucking up some comma-mas (Fuck it up)
Oh, girl, we notice, your body the coldest
Everybody fall in love, fall in love

I'm a rollin' stone, baby, come on
Tell me what you like every night
Girl, I know, you got your own
But you could be mine

You 'bout that lifestyle (Lifestyle)
Everybody knows
Diamonds ain't got nothin' on you-oooh-oooh
We 'bout that lifestyle (Lifestyle)
Dollar, dollar bills
Baby, would you stay if I'm broke?

But you could be mine

You 'bout that lifestyle (Lifestyle)
