

Love Before I Die

Jason Derulo

I wanna be mad
When you're coming home tonight
I wanna cry
When you love me
I wanna cum
Anywhere you want me to
And I wanna be jealous
Oh, just like I wanted you

Everybody say oooh, ohohh
Oooh, ohohh
Oooh, ohohh
Oooh, ohohh
I wanna love before I die
And if it kills me
I throw it a smile
I wanna love before I die
Just like the movies
I'll save you a night

Love me right now
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na

I wanna wake up
Everybody say oooh, ohohh
Oooh, ohohh
I wanna be scared
Cause my baby is a freak
Everybody say oooh, ohohh
Oooh, ohohh
All the people say

Oooh, ohohh
Come on!
Oooh, ohohh

I wanna love before I die
And if it kills me
I throw it a smile
I wanna love before I die
Just like the movies
I'll save you a night

Love me right now
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na

Na na na na na
Na na na na na

I know you want it
So hop upon it
The people watching
So let's just shock them
I know you want it
So hop upon it
The people watching
So let's just shock them
Dance!

I wanna love before I die (before I die)
And if it kills me
I throw it a smile
I wanna love before I die
Just like the movies
I'll save you a night
