

Love Me Down

Jason Derulo

(Good God)

Uh, I don't know if you heard 'bout that global warming and this club is first

Uh, we might all get hurt, your body is tsunami, mami, put in work

(Good God)

You know I love the fur, you're blessed from behind, I'ma take you to church

(Good God)

Uh, before we leave this Earth, shawty, can I get some?

Baby, we don't know what might happen, but I know you're sexy, sexy

I know you're sexy, uh, sexy, ooh

And girl, if tonight's our last, I'm spending it with ya sexy, sexy

With ya, sexy, sexy, sex me

Would you love me now, if all we had was now?

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

Girl, the world could end, so we should take this chance

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

C'mon on lil mami, let's go

(Good God)

Girl, while you're all alone

Go on tell your kitty, give a dog a bone

Have you heard

I've Armageddon, it's comin' it's comin', we better...

Baby, we don't know what might happen, but I know you're sexy, sexy

Yeah, I know you're sexy, sexy, ooh

And girl, if tonight's our last, I'm spending it with ya sexy, sexy

With ya, sexy, sexy, sex me

Would you love me now, if all we had was now?

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

Girl, the world could end, so we should take this chance

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh (ooh, baby)

I wanna love like it's the end of the world (uh)

I wanna love like it's the end of the world (oh, baby)

Don't give a fuck like the end of the word

The end of the world (it's the end, oh no)

I wanna love like it's the end of the world (uh, oh no)

I wanna love like it's the end of the world

Don't give a fuck like the end of the word

The end of the world (of the world)

Would you love me now, if all we had was now (ooh)

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

Girl the world could end, so we should take this chance (whoa, c'mon, baby)

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

So tell me, tell me, what you gon' do

What you gon' do, tell me, tell me, baby, what you gon' do (the world could end tomorrow or tonight, baby)

What you gon' do, tell me, tell me, baby, what you gon' do

So tell me, tell me, what you gon' do

What you gon' do, tell me, tell me, baby, what you gon' do

What you gon' do, tell me, tell me, baby, what you gon' do

Oh, oh, you never know
