

# Pull Up

Jason Derulo

Yeah, I just got a brand new whip in the yard  
You can drive it when you want  
But you gotta keep that top down for me (that top down for me)  
I'm just tryna push this shit, don't start  
Up and down your boulevard  
Girl, I had to pull you over for them jeans ('ver for them jeans)

Woop, woop, look at that sexy body (ayy)  
Look at that trunk in the back  
Woop, woop, I'ma get a little bit ratchet (ayy)  
'Cause I never seen a donk like that

You know I had to skrrt, pull up  
Ayy, ayy, ayy, ayy, ayy, ayy, ayy, pull up  
Ayy, ayy, ayy, ayy, ayy, ayy, ayy, oh yeah  
Skrrt, I had to pull up  
I'ma make you mine ba-ba-ba-baby  
Make you mine ba-ba-ba-babe  
Make you mine ba-ba-ba-baby  
Make you mine ba-ba-ba-babe

Girl, I gotta get that Coupe for two  
You'd be amazed what we could do  
We can roll these windows down so they all see (so they all see)  
Gon' and throw that thing in reverse, look back at it (look back at it)  
Don't hurt nobody, look back at it (back at it)  
You gon' make somebody call the police

Woop, woop, look at that sexy body (ayy)  
Look at that trunk in the back  
Woop, woop, I'ma get a little bit ratchet (ayy)  
'Cause I never seen a donk like that

You know I had to skrrt, pull up  
Ayy, ayy, ayy, ayy, ayy, ayy, ayy, I had to pull up  
Ayy, ayy, ayy, ayy, ayy, ayy, ayy, oh yeah  
Skrrt, I had to pull up  
I'ma make you mine ba-ba-ba-baby  
Make you mine ba-ba-ba-babe  
Make you mine ba-ba-ba-baby  
Make you mine ba-ba-ba-babe

Look at that sexy body  
I never seen curves like that when we do it, baby  
Look at that sexy body, yeah  
You know that it drives me mad  
Skrrt, pull up  
Ayy, ayy, ayy, ayy, ayy, ayy, ayy  
Girl, girl, girl, girl, girl, take that thing like a repo (repo)  
I'ma beat that thing, you my cheat code (cheat code)  
When I'm done, we gon' knock the fuck out, Deebo (woo)

I'ma make you mine ba-ba-ba-baby (I had to pull up)  
Make you mine ba-ba-ba-babe (pu-pull up)  
Make you mine ba-ba-ba-baby (I had to pull up)  
Make you mine ba-ba-ba-babe (skrrt, I had to pull up)  
I'ma make you mine ba-ba-ba-baby

Make you mine ba-ba-ba-babe (pu-pull up)  
Make you mine ba-ba-ba-baby (oh, babe)  
Make you mine ba-ba-ba-babe (babe, yeah)
