

Slow Low

Jason Derulo

Let me hit it slow motion
If you keep it up, girl, Imma run out of Trojans
Let's savor the moment (Yeah)
I know you couldn't wait to bust it wide open

Oh, na, na, na, slow the tempo
Ooh, la, la, la, keep it simple
Good things gonna come if you just wait
She ride me faster and faster and she do it with passion
I feel it comin', it's comin', so baby, slow down
She ride me faster and faster, don't know how long I could last, yeah
I feel it comin', it's comin', so baby, slow down

Let me love you slow, low, low, low, low, low
Slow, low, low, low, low, low
Slow, low, low, low, low, low
Let me love you slow, low, low, low, low, low
Slow, low, low, low, low, low
Slow, low, low, low, low, low
Let me love you slow

How you do that with your body? (Yeah)
All them positions you get from pilates
Girl, you ride like Ferrari
Better hit the brake, brake, tryna make it to the mornin'

Oh, na, na, na, slow the tempo
Ooh, la, la, la, keep it simple
Good things gonna come if you just wait
She ride me faster and faster and she do it with passion
I feel it comin', it's comin', so baby, slow down
She ride me faster and faster, don't know how long I could last, yeah
I feel it comin', it's comin', so baby, slow down

Let me love you slow, low, low, low, low, low
Slow, low, low, low, low, low (Slow, ooh-oo)
Slow, low, low, low, low, low
Let me love you slow low, low, low, low, low (Slow it down)
Slow, low, low, low, low, low
