Whine fa me darlin'
Way you move ya spine is alarmin'
Mi wan you just

Big fat thang, overflowin'
Skin tight dress, couldn't hold it
Way too thick like it's swollen
Girl, you're too bad and you know it
When you drop down, lose focus
When that thing clap, that's a bonus
Mm, that cake looking appetizing
Backpack full, that's a crisis

Bring that body my way
Can't take it off my brain
Look like you do ballet, yeah

Hold tight when you tip toe (oh, oh, oh, oh)
Shake something when you tip toe (girl, oh, oh, oh, oh)
No breaks when you push that back
Left, right, do it just like that
Hold tight when you tip toe (oh, oh, oh, oh)

Ayo, God bless you from behind and (I do)
One hand up like the Heisman (touchdown)
First class seat when ya ridin' (oh yeah)
Wind that thing like ya spineless

Bring that body my way (my way)
Can't take it off my brain (my brain)
Look like you do ballet, yeah

Three, you know I'm the one you been looking for

Left cheek, right cheek, left cheek, right cheek (oh, no)
Left cheek, right cheek, left cheek, right cheek (ay, ay)

Chains on, got me lookin' like a disco (a disco)
Who that be? And that drop be Mansory (skrrt)
Who that be? Blowin' gas out the 'rari (sk-skrtrt)
French vanilla smooth like a 100-year whine
Come sneak up from behind, "What's ya name?"

"What's ya sign?" (Huh)
{Whine fa me, darlin'}
"You want to dock in or fly out??"
{Whine fa me, darlin'}
"Baby, you want to lease, rent, or buy out??"
{Whine fa me, darlin'}
