

Try Me

Jason Derulo

Ooh, ooh, ooh
Woo, ooh, ooh, ooh
Ooh, ooh, ooh
Woo, ooh, ooh, ooh

I like the way that your body move all over the floor (na na na)
I'd like to find a way to get lost in you (yeah yeah yeah)
I wanna talk to ya, baby, say what's on your mind, uh
Girl, tell me anything that you wanna do (yeah yeah yeah)

Ain't we all just looking for some loving tonight?
Got a crazy feeling that I fit you just right

So try me in the morning when the sun comes rising up
Try me in the afternoon, bet you just can't get enough
Try me in the evening, satisfaction guaranteed
Baby, I got what you need, you gotta try me
Ooh, ooh, ooh
Woo, ooh, ooh, ooh (try me)
Ooh, ooh, ooh
Woo, ooh, ooh, ooh (talk to me)

Let's go and find a place and get to know each other more (na na na)
It's all on your face, I know you like what you see (yeah yeah yeah) (yeah)
I'm the one for you, baby, but you can take your time (I'ma take my time)
Let the music bring your body to me (yeah yeah yeah) (bring your body to me)

Ain't we all just looking for some loving tonight? (Looking for some loving)
Got a crazy feeling that I fit you just right

So try me in the morning when the sun comes rising up
Try me in the afternoon, bet you just can't get enough
Try me in the evening, satisfaction guaranteed
Baby, I got what you need, you gotta try me
I know
I got what you need, you gotta try me

Bring that body closer, I wanna feel your skin up on mine
Like I already know ya, I'm grabbin' that ass from behind
As we dutty wine, I got chills down my spine
As we dutty wine, girl, we might be meant to be

So try me in the morning when the sun comes rising up
Try me in the afternoon, bet you just can't get enough
Try me in the evening (I will), satisfaction guaranteed (yeah)
I got what you need, you gotta try me
I got what you need, you gotta try me
Yeah, right
Yeah, try me baby
Ooh, ooh, ooh (yeah right)
Woo, ooh, ooh, ooh (ha-ha, uh, yeah, try me, baby)
Ooh, ooh, ooh (oh)
Woo, ooh, ooh, ooh

To all my dogs, ooh yeah, ooh yeah, ooh yeah
To all my dogs, ooh yeah, ooh yeah, ooh yeah
Yeah, yeah, wine slow for your body

Woo

Ooh, ooh, ooh

Woo, ooh, ooh, ooh
