

Ooh-ooh-ooh
Ooh-ooh-ooh, ooh-ooh, ooh-ooh-ooh
You and I, you and I, you and I, you and I
You and I, you and I, you and I

Can we keep it pure like cocaine? (Cocaine, cocaine)
This love is suicidal, Cobain (Cobain)
And I remember the high like morphine
But lately, I can feel it fade

'Cause I don't know how to reach you, I don't know what to say
Every time I try to speak to you, my words get in the way
I swear, you never listen, and I don't pay attention
And when we argue it's 'cause we both know that something's missin'

I wanna make it okay, but I just don't know the way
I can feel you losin' faith
I don't wanna fight, just wanna try

To get us back to
You and I, you and I, you and I, you and I
You and I, you and I, you and I, you and I
You and I, you and I, you and I, you and I
You and I, you and I, you and I, you and I

We don't even talk, we even talk here lately
And then we sleep in different rooms, wonder why shit ain't changin'
Why you start to cry when you kiss me? (Kiss me)
It's like you're not here, like you empty (Empty)
Did you need space to forgive me? (Ooh-ooh)
Or did you need space to forget me?

I wanna make it okay, but I just don't know the way
I can feel you losin' faith
I don't wanna fight, just wanna try

To get us back to
You and I, you and I, you and I, you and I
You and I, you and I, you and I, you and I (You and I)
You and I, you and I, you and I, you and I (You and I)
You and I, you and I, you and I, you and I

Can we keep it pure like cocaine? (Cocaine, cocaine)
This love is suicidal, Cobain (Cobain)
And I remember the high like morphine (Morphine)
But lately, I can feel it fade
