

Underwater

Jason Derulo

You take my breath away
Some things just never change
But I fell deep and sunk fast and went harder
And dove in anyway

We love with no control
Like we're unsinkable
But we fell deep and sunk fast and went further
Then anyone could know

Ooh-ooh-ooh
We're caught in the deep end
Ooh-ooh-ooh
But never let go

I wish we could breathe under water
That way we won't lose one another
'Cause I'm drownin' you, ooh
And you're drownin' me too
And there's not enough air
Air, air
I wish we could breathe under water, baby
'Cause right now we're so close to the bottom
'Cause I'm drownin' you, ooh
And you're drownin' me too
And there's not enough air
Air, air under water

Ooh-ooh, ooh-ooh, under (under water)
Ooh-ooh, ooh-ooh, under (under water)
Ooh-ooh, ooh-ooh, under (under water)
Under water, under water

Your kiss keeps me alive
So, don't give up tonight
(Oh, no, no)
Swear, I'll go deeper, swim faster, try harder
So, we can both survive

Ooh-ooh-ooh
We're caught in the deep end
Ooh-ooh-ooh
But never let go

I wish we could breathe under water
That way we won't lose one another
'Cause I'm drownin' you, ooh
And you're drownin' me too
And there's not enough air
Air, air
I wish we could breathe under water, baby
'Cause right now we're so close to the bottom
'Cause I'm drownin' you, ooh
And you're drownin' me too
And there's not enough air
Air, air under water

Ooh-oo, ooh-oo, under (under water)
Ooh-oo, ooh-oo, under (under water)
Ooh-oo, ooh-oo, under (under water)
Under water, under water

Come and find under water
Yeah, come and reach me under water
Go deeper, swim faster
Under water, under water, under water
Under water, yeah, yeah
