Wrap My Arms Around You

Jason Donovan

I've been thinking 'bout you
I've been thinking 'bout you night and day
wanting to be near you
to hear the things you say

'Cause you are the sunshine
on many cloudy day
'Cause when you find that someone very special
you don't let them get away

I wanna wrap my arms around you
I'm gonna build a wall of love
that will surround you
Wrap my arms around you
Won't let you go
now that I've found you

I've been thinking 'bout forever
I've been thinking 'bout a life with you
I feel so good with you
You feel the same way, too

'Cause you are the sunshine
on many cloudy day
'Cause when you find that someone very special
you don't let them get away

I wanna wrap my arms around you
I'm gonna build a wall of love
that will surround you
Wrap my arms around you
Won't let you go
now that I've found you

'Cause you are the sunshine
on many cloudy day
'Cause when you find that someone very special
you don't let them get away

I wanna wrap my arms around you
I'm gonna build a wall of love
that will surround you
Wrap my arms around you
Won't let you go
now that I've found you

I wanna wrap my arms around you
I'm gonna build a wall of love
that will surround you
Wrap my arms around you
Won't let you go
now that I've found you
