

Always a Woman

Jason Eady

The old man leaned over and he asked me:

"What's got you lookin' so down?"

I said, "There's problems at home, some things you wouldn't understand"

Said, "Son I've seen a lot in my life

"And there's one thing I've come to know

"There's only one thing that can put that kinda look on a man"

"It's always a woman

"It's always a woman

"Just take a look at my face and make no mistake

"Well, it's always a woman"

He said "Son let me tell you my story

"Somethin' every man should know

"There was a time I was time standin' on the edge, lookin' down

"And I felt a hand on my shoulder

"And a voice that whispered in my ear

"I got there on my own, but there was only one thing turned me around"

"It's always a woman

"It's always a woman

"Just take a look at my face and make no mistake

"Well it's always a woman"

So I went back home and I held her

We didn't have to say a word

She just cried and she smiled and she wiped those tears from our eyes

So next time I'm feelin' sorry

For myself I hope I understand

There's only one thing between the devil and a good man

It's always a woman

It's always a woman

Just take a look at my face and make no mistake

Well it's always a woman
