

# Misty

Jason Eady

Since you've been away  
I've been staying awake  
Trying not to lose my mind  
Waiting on your call  
With no word at all  
Honey won't you give me a sign

Oh Misty say you've missed me  
And tell me it'll be alright  
Oh Misty say you've missed me  
So I can get to sleep tonight

I know that you left  
Needing time for yourself  
Believe me I understand  
But it's been too long  
I feel like there's something wrong  
Or maybe I've got too much time on my hands

Oh Misty say you've missed me  
And tell me it'll be alright  
Oh Misty say you've missed me  
So I can get to sleep tonight

Maybe I'm just going crazy  
Maybe I'm just all in my head  
Maybe I'm just reading too much into  
All the things that you haven't said

Well I'm glad that you called  
I wasn't worried at all  
I knew that you'd come around  
Something's changed  
Now you don't sound the same  
Just give me a sign to keep me from coming unwound

Oh Misty say you've missed me  
And tell me it'll be alright  
Oh Misty say you've missed me  
So I can get to sleep tonight  
Oh Misty say you've missed me  
So I can get to sleep tonight
