

Be Kind

Jason Gray

Brake lights, stuck on the highway
Some guy cuts into my lane
Anger like an explosion
I'm mad and make sure he knows it
But I don't know what he's been through
Family he's trying to get to
That's when the Spirit inside me
Reminds me to

Be kind
'Cause everyone you meet
Is fighting their own battle
Fighting their own battle
So be kind
'Cause everyone you see
Needs to know they matter
Needs to know they matter
So be kind, kind...

Long line, just trying to check out
Behind me a kid starts to act out
First thought, this kid wasn't raised right
Next thought, I wonder what their home's like
Then I see - she's a single mother
Just trying to hold it all together
She'd break down if she could afford to
It wouldn't cost me anymore to

Be kind
'Cause everyone you meet
Is fighting their own battle
Fighting their own battle
So be kind
'Cause everyone you see
Needs to know they matter
Needs to know they matter
So be kind, kind...

Love of God flow through me now
Love of God show me how
To let You in and pour You out
Love of God show me how
Show me how to

Be kind
'Cause everyone you meet
Is fighting their own battle
Fighting their own battle (We're all fighting our own battle)
So be kind
'Cause everyone you see
Needs to know they matter
Needs to know they matter (We all need to know we matter)
So be kind, kind...

Who is my brother?
Who is my sister?
Everyone, everyone

Who is my brother?
Who is my sister?
Everyone, everyone, everyone

So be kind
