

## Cover Me Up

Jason Isbell

A heart on the run keeps a hand on the gun you can't trust anyone

I was so sure what I needed was more tried to shoot out the sun  
Days when we raged, we flew off the page such damage was done  
But I made it through, cause somebody knew I was meant for someone

So girl, leave your boots by the bed we ain't leaving this room  
Till someone needs medical help or the magnolias bloom  
It's cold in this house and I ain't going out to chop wood  
So cover me up and know you're enough to use me for good

Put your faith to the test when I tore off your dress in Richmond on high

But I sobered up and I swore off that stuff forever, this time  
And the old lovers sing "I thought it'd be me who helped him get home"

But home was a dream, one I'd never seen till you came along

So girl, hang your dress up to dry we ain't leaving this room  
Till Percy Priest breaks open wide and the river runs through  
And carries this house on the stones like a piece of driftwood  
Cover me up and know you're enough to use me for good

So girl, leave your boots by the bed we ain't leaving this room  
Till someone needs medical help or the magnolias bloom  
It's cold in this house and I ain't going out to chop wood  
So cover me up and know you're enough to use me for good  
Cover me up and know you're enough to use me for good
