

# Say I'm What You Want

Jason Lancaster

Someone once told me  
That we don't have much time  
So while our words all still rhyme  
There'll be no holding back  
So I thought I'd tell you  
That in my darkest of nights  
You are my one constant light  
That cuts through all the black

And so say  
Say you'll never, ever say to go  
Say you're gonna be here when I'm old  
Say that we're a story no one's told, oh-oh

So say I'm what you want  
A little on the broken side  
And maybe a couple steps behind  
But if you're listening  
You're everything I'm not  
So if you wonder where I'm at  
You know you got me  
Right where you want me  
(Right where you want me)

If I had a moment  
That I could freeze and rewind  
And pause the sucking of time  
I'd spend forever on you

And I'd watch your eyes shimmer and shine  
From every corner of my daylight  
'Cause it's not a thing I'd leave behind  
The second that you're already mine

So say I'm what you want  
A little on the broken side  
And maybe a couple steps behind  
But if you're listening  
You're everything I'm not  
So if you wonder where I'm at  
You know you got me  
Right where you want me

You can smile if you want  
It's our forever  
And we'll do what we want to  
Whenever we want to  
As I'm writing this down  
So I don't forget  
A single second about you  
'Cause I don't wanna lose a single thing

And you can smile if you want  
It's our forever  
And we'll do what we want to  
Whenever we want to  
And I'm writing this down

So I don't forget  
A single second about you  
'Cause I don't wanna lose a single thing

And you can smile if you want  
It's our forever  
And we'll do what we want to  
Whenever we want to  
I'm writing this down  
So I don't forget  
A single second about you  
'Cause I don't wanna lose a single thing

You can smile if you want  
It's our forever and  
We'll do what we want to  
Whenever we want to
