

# Love Is Still The Answer

Jason Mraz

The question is why, why are we here?  
To say our hello's and goodbye's and then disappear  
This beautiful life, what is it for?  
To learn how to master peace or master war

There's only one answer that matters  
Even if your heart has been shattered  
Whatever you want, whatever you are after  
Love is still the answer  
Love is still the answer

We all make mistakes, no, we're not perfect yet  
Maybe God made us all from an accident  
The question that sits on everyone's lips  
Is why should we pick ourselves up and start over again

Well, there's only one answer that matters  
Even if your heart and your dreams have been shattered  
Whatever you want, whatever you are after  
Love is still the answer

Love, love, love, love  
Love, love, love  
Love, love, love, love  
Love, love, love, love

The question I'll ask at the end of my days  
Is what did I give and what will I take

Well, there's only one answer that matters  
Even if your heart and your dreams have been shattered  
Whatever you want, whatever you are after  
Love is still the answer  
Love is still the answer

Love, love, love, love  
Love, love, love  
Love, love, love, love  
Love, love, love, love  
Love, love, love, love  
Love, love, love, love

'Cause what the world needs now is love  
And all you need is love  
Love, love, love, love  
Love, love, love, love
