

# Rescue

Jason Mraz

She needed friends  
Didn't wanna be left alone  
It wasn't like her  
To have her feelings hurt  
Everybody hits the wall  
Everybody needs a call

He wasn't lookin for a handout  
He didn't want my money neither  
Tired of speaking to the wall  
Everybody needs a call

I'm coming to your rescue  
Coming to your rescue  
Like a fireman, I'll be your 9-1-1  
Whenever you need to escape  
Somehow I'll rescue you  
I'm coming to your rescue  
No, I'll never let you down  
Never let you down  
No, I'll never let you  
Ever fall down, no

Born in 2002  
Too young for the work he do  
Too young to have the kind  
Of voice that people listen to  
Not made for the factory  
Not made to be a soldier neither  
It's not what he deserves  
Everybody should be heard

Rescue  
I'm coming to your rescue  
Like a fireman, I'll be your 9-1-1  
Whenever you need to escape  
Somehow I'll rescue you  
I'm coming to your rescue  
No, I'll never let you down  
Never let you down  
No, I'll never let you  
Ever fall down, no

Life is made for love  
One and one is two  
People need to be seen  
I see you  
When you're down on your luck  
You know what I will do

I'm coming to your rescue  
Coming to your rescue  
Like a fireman, I'll be your 9-1-1  
Whatever you need to escape from  
I'll rescue you  
I'm coming to your rescue  
No, I'll never let you down

Never let you down  
No, I'll never let you  
Ever fall down  
I will be your rescue
