

You And I Both

Jason Mraz

G **Emi**
Was it you who spoke the words that things would happen but not to me
C **D**
Oh things are gonna happen naturally
Am **C**
And taking your advice I'm looking on the bright side
D
And balancing the whole thing
G **Emi**
But often times those words get tangled up in lines
C **D**
And the bright lights turn to night
Am
Until the dawn it brings
C **D**
A little bird who'll sing about the magic that was you and me

G
Cause you and I both loved
Emi
What you and I spoke of
C
Other just read of
D **GEmi**
others only dream of the love, the love that I lovewhoooo oo ohh
G
See I'm all about them words
Emi
Over numbers, unencumbered numbered words
C
Hundreds of pages, pages, pages forwards
D
More words than I had ever heard and I feel so alive

G
Cause you and I both loved
Emi
what you and I spoke of
C
and others just read of
and if you could see me now

G
Now you and I, you and I
Emi
Not so little you and I anymore
C
And with this silence brings a moral story
D
more importantly evolving is the glory of a boy

G
you and I both loved
Emi
what you and I spoke of
C
and others just read of

and if you could see now

G
well I'm already finally out of words ...

C **D**
and it's okay if you have go away
G **D** **Em**
just remember the telephone works both ways

C **D**
and if I never ever hear it ring

G
if nothing else I'll think the bells inside

Emi **C**
have finally found you someone else and that's ookay

D
cause I'll remember everything you sang

you and I {Gboth loved

Emi
what you and I spoke of

C
and others just read of
and if you could see now

G
well I'm already finally out of words .
