

# You Fckn Did It

Jason Mraz

You fuckin' did it  
You really did it yeah  
You fuckin' did it  
You fuckin' did it  
You fuckin' did it  
You really did it yeah  
You fuckin' did it  
You fuckin' did it

All those who are hangin' round the water cooler  
Will never believe how you tackled the thousand puzzle pieces  
And you could see it before we completed it  
Before we made it whole  
How you put it all together with a blindfold  
You're like a long game token that keeps the game goin'  
But your claim to fame is how you like to lay low  
Out of the lime light  
Which can hurt your eyes  
If you're not careful you'll become another devil in disguise  
But you watch your back  
You watch your back  
You're growing eyes in the back of your head  
To prevent another sneak attack  
Sneak attack  
You must be keepin' secret weapons in your fanny pack  
You're like my laughing gas  
You got the cat to dance  
You're like Lance on a mountain in the Tour de France  
You got a wing span spanning the globe  
You got gold  
And you're teaching us all to let go  
You're a wise old owl when you're the cats meow  
If this were twelfth grade you would be my cap and gown  
If this were India then you would be a sacred cow  
And I'd bow down to you  
So grateful to the Gods for making you

You fuckin' did it  
You really did it yeah  
You fuckin' did it  
You fuckin' did it  
You fuckin' did it  
You really did it yeah  
You fuckin' did it  
You fuckin' did it

You'll be standing up for equal rights of the American people  
And you'll be meeting all the influential seekers with a similar dream  
You've got a front seat saved that's emblazed with your name  
And a super hero cape on  
You see the future as a sky full of possibility  
With a spryness of mind and a psychic ability  
You probably won't die at the hands of an enemy  
And not in a den of inequity  
You're not the average Joe  
You're not the average Jane

You're not above or below  
But you're never just plain  
You never take no, personally  
And any time you get stopped you try another way  
Could we settle for a kiss without a cease and desist  
If they ask we won't tell 'cause we're activists  
I am that I am and you are that you are  
And we're all that is  
How p-e-r-f-e-c-t your a-t-t-i-t-u-d-e be

You fuckin' did it  
You really did it yeah  
You fuckin' did it  
You fuckin' did it  
You fuckin' did it  
You really did it yeah  
You fuckin' did it  
You fuckin' did it  
Freestyle!

When you circumnavigating the turntable callin the tracks  
Like you be jumpin' in the water you be makin' a splash  
You be keepin' your heart beat going  
And you be keepin' the harmony going  
Well there's an awful lot of musical styles you could play  
Well there's an awful lot of tastes  
An awful lot of dates you could be on  
You be keepin' your back bone strong  
And you be keepin' the trombone blowin'  
Well every friend of mine will give each other high-fives  
When your beautiful mind is to your own devices  
You do what you like and you always like what you try  
You touch me like an iPhone application  
Move me like a smooth jazz music station  
Do what you do in the way that you choose to do them  
Oh my God  
You're quick to be so quotable  
Damn you got a way with words  
You got a magical handshake for saving the earth  
You are a generous man  
You are so awesome it hurts  
And you are a-w-e-s-o-m-e

You fuckin' did it  
You really did it yeah  
You fuckin' did it  
You fuckin' did it  
You fuckin' did it  
You really did it yeah  
You fuckin' did it  
You fuckin' did it

You are a-w-e-s-o-m-e  
You are a-w-e-s-o-m-e  
You are a-w-e-s-o-m-e  
You are a-w-e-s-o-m-e  
You are a-w-e-s-o-ME
