

Breathe

Jason Nelson

In the valley
No evidence that there is life separated
Only a Word can make this right
Can these bones live
You see the future from above
Send the wind, Lord
Holy Spirit breathe on us

Breathe on us
We need more of You
Send Your power
Let Your Spirit move
We need revival
We need revival
Nothing else will satisfy, Lord
Breathe on us
Please, breathe on us

In the valley
No evidence that there is life separated
Only a Word can make this right
Send the wind, Lord
Holy Spirit, breathe on us

Breathe on us
We need more of You
Send Your power
Let Your Spirit move
We need revival
Nothing else will satisfy
Lord, breathe on us, oh
Breathe on us
That's our prayer, Lord
Breathe on us

Breathe on us
Breathe on us
Breathe on us
Holy Spirit, breathe on us
Breathe
Breathe on us
Send a fresh wind
Breathe on us
We need You
Breathe on us
Holy Spirit
Holy Spirit, breathe on us

Please, breathe
Breathe on us
Inhale and exhale
Breathe on us
We need You
Breathe on us
Holy Spirit
Holy Spirit, breathe on us

We need revival
Breathe on us
We need restoration
Breathe on us
Only You can do it
Breathe on us
Breathe on us
Holy Spirit
Holy Spirit, breathe on us

Please, breathe
Breathe on us
We need it
Breathe on us
Breathe on us
Can't go anywhere without it
Breathe on us
Holy Spirit
Holy Spirit, breathe on us

Holy Spirit
Holy Spirit
Holy Spirit
Holy Spirit, breathe on us
Holy Spirit
Please
Holy Spirit
We need
Holy Spirit
Holy Spirit
Holy Spirit, breathe on us

Our hearts are open
Holy Spirit
And our minds are ready
Holy Spirit
Holy Spirit
Holy Spirit
Holy Spirit, breathe on us
We need a fresh anointing
Holy Spirit
And we need more power
Holy Spirit
Oh, we really need
Holy Spirit
Holy Spirit
Holy Spirit, breathe on us
Holy Spirit
Holy Spirit
Holy Spirit
We want You
Holy Spirit
Holy Spirit
Holy Spirit, breathe on us
Holy Spirit, breathe on us
