

# Don't Worry

Jason Nelson

Look at somebody around and say whatever you do  
Don't worry  
Keep talking say God's got it all in control  
Find one more person say  
Don't worry  
God's got it all in control

You've been pressing everyday  
Steady praying for a way to be made  
Seem like trials are too much to bear  
And troubles are everywhere

But He cares (But He cares)  
And He knows (He knows)  
He's been with you (He's been with you ohh)  
Wherever you go  
So don't worry (God's got it all in control)  
God's got it all in control

You've been pressing everyday  
Steady praying for a way to be made  
Seem like trials are too much to bear  
And your troubles are everywhere

But He cares (God cares)  
And He knows (And He knows)  
He's been with you (He's never left your side)  
Wherever you go  
So don't worry (You don't have to worry)  
God's got it all in control

Yes He does, yes He does  
He's got it all in control

Oh He's working (Behind the scenes)  
Behind the scenes  
He has His hands (On everything)  
On everything  
So just trust Him  
He'll work it out (He'll work it out)  
It's victory without a doubt (It's victory)  
So don't worry  
God's got it all in control

Don't worry it's all in his plan  
Don't worry (Yeah) you're in His Hands (Please don't worry)  
Don't worry (Yeah) it's all in control  
Don't worry Jesus He knows

Don't worry it's all in his plan (Don't worry, said it's all in His plan)  
Don't worry You're in His Hands  
Don't worry (He's got it all in control) it's all in control  
Don't worry Jesus He's knows (Jesus already knows)

Don't worry it's all in His plan (It's all in His plans)  
(God hasn't given us the spirit of fear, but of love)  
Don't worry you're in His hands (And of a sound mind)

Don't worry (Give Him all of your of your burdens) it's all in control (Give  
Him all of your trials)  
Don't worry (Said He already knows) Jesus He knows

Don't worry it's all in his plan  
Don't worry you're in His hands (God's got it all in control, please)  
Don't worry (I need you) it's all in control (I need you to put your trust i  
n the Lord)  
Don't worry Jesus He knows

Don't worry (Nobody knows all the trouble I've been through but God)  
Don't worry (But He's got me wrapped, tied up, tangled all up in Jesus)  
Don't worry (You don't have to cry no more)  
Don't worry (Don't worry it's all in his plan)

Don't worry

I need y'all to grab a hold to this  
You gotta put your faith in Jesus  
It's a gonna all work out, yeah

Say don't worry (Don't worry)  
He's gonna turn it in your favor, don't worry (Don't worry)  
Just hold on a little while longer, don't worry (Don't worry)  
Oh yeah, don't worry (Don't worry, say)  
It's all in His hands

Say don't worry (Don't worry)  
You can cast all your cares, cast all your fears on Jesus  
(Don't worry)  
He is the only one, the true and living God that can pull you out  
(Don't worry)  
That can snatch you out  
Turn you around, place your feet on solid ground  
So you don't have to worry  
(Don't worry, it's all in His hands)

I dare you to open up your mouth and give God praise  
If you're just gonna trust Him  
If you're just gonna trust Him  
If you're just gonna trust Him  
I need you to do this

Say don't worry  
Don't worry
