

Forever

Jason Nelson

I'll be committed to you
I'll never leave you
Nothing in this world could make walk away
No matter what life may bring
I'll be by your side
No matter what you face
You won't be lonely

Because
Forever is a long time
That's how long I'll love you
That's how long I'll love you
Forever

Forever is a long time
That's how long I'll love you
That's how long I'll love you
Forever

No matter what life may bring
I'll be by your side
No matter what you face
You won't be lonely
And this is my promise to you
My love is everlasting
You can count on me
To be there always
Forever is

Forever is a long time
That's how long I'll love you
That's how long I'll love you
Forever

Forever is a long time
That's how long I'll love you
That's how long I'll love you
Forever

Forever is a long time
That's how long I'll love you
That's how long I'll love you
Forever

I'll love you
I'll love you
I'll love you
Forever

I'll love you
I'll love you
I'll love you
Forever

I'll love you
I'll love you
I'll love you

Forever

I'm committed to you
I'm committed to you
I'm committed to you
Forever

I'm committed to you
I'm committed to you
I'm committed to you
Forever

I'm committed to you
I'm committed to you
I'm committed to you
Forever

Forever and ever and ever
Forever and ever and ever
Forever and ever and ever

Somebody, hear the Lord say

Forever and ever and ever
Forever and ever and ever
Forever and ever and ever
Forever...
