

I Am

Jason Nelson

I am the Creator
I am the Maker
Of the Universe
I am the one who, spoke into nothing
And all creation birthed
I am He
Who has all Power in my hands
And if you believe
On my word you can stand
I am Healer
Mender of broken hearts
Alpha Omega
Your destiny and where you start
I am the one
Who does impossible things
That's who I am, just let me be who I am
To you
That's who I am, just let me be who I am
For you

I am the one who
Sees a need and always provides
I am the one whose
Name is a tower, where you can run and hide
I am He, who has all Power in my hands
And if you believe, on my word you can stand
I am Healer
Mender of broken hearts
I am Alpha Omega
Your destiny and where you start
I am the one
Who does impossible things
That's who I am, just let me be who I am
For you

And if there's a need...
I am
When you are sick
I am
You're overwhelmed in the moment right now, but...
I am
You can't see your way
I am
Ooh that's who I am
That's who I am
Just let me be who I am
For you

The doctor says cancer but...
I am
The lawyer says jail time...
I am
You can't see your way
I am
And you're losing your mind...
I am
You gotta know it's not too hard for me

I am
You gotta know that I can handle it
I am
Hear the word of the Lord, just let me fix it
I am
Just let me fix it
I am
That's who I am, just let me be who I am
To you

That's who I am
Just let me be who I am
For you
