

You're My Best Friend

Jason Reeves

People wait all their lives to only feel this way
It's only once in a lifetime you give yourself away

You're my best friend
You're my dream that came alive
You're my reason
You're my faith and you're my fire
You're my lover
You're my angel in the night
You're my sunrise
You're the stars and I'm the sky
You're my best friend
You're my only love until the end
You're my best friend

Words won't say what you are so I won't even try
Suddenly I know I love you til the day I die

Cause you're my best friend
You're my dream that came alive
You're my reason
You're my faith and you're my fire
You're my lover
You're my angel in the night
You're my sunrise
You're the stars and I'm the sky
You're my best friend
You're my only love until the end
You're my best friend

Cause you're my best friend
You're my dream that came alive
You're my reason
You're my faith and you're my fire
You're my lover
You're my angel in the night
You're my sunrise
You're the stars and I'm the sky
You're my best friend
You're my only love until the end
You're my best friend
