

# Can I Talk To You

Javier Colon

I Knew You Were Different  
From The Way You Smiled  
When You Walked By  
You Was Sexy As Hell  
And Somehow I Can Tell That  
You Was Kinda Shy

I Seen You Before  
But I Been Waitin For The Right Time  
To Tell You All The Things  
That Have Been Running Through My Mind

Do You Have Some One To Call Your Own  
Do You Have Some One Waitin By The Phone  
Do You Have Some One Youve Been Thinkin Of  
But Guess What I Got To Know  
Is There Some One You Really Love  
(If Not Then)

[Chorus:]  
I Wanna Talk To You  
Get To Know The Things You Like To Do  
Ive Been Searchin For A Special Girl  
And It Could Be You  
Cause In All My Dreams  
I See You And Me  
And Thats The Truth Ohhh...  
So Before You Go  
I Just Got To Know  
Can I Talk To You Yeah...

If You Dont Mind  
Ive Got A Few Things Id Like To Ask You  
When Your Alone Or With Your Friends  
What Other Kind Of Things You Like To Do  
Whats Your Favorite Song  
Aint That The One Thats On Your Ringtone  
If I Asked You Out Right Now  
Would You Say Yes Or Would You Say No

Do You Have Some One To Call Your Own  
Do You Have Some One Waitin By The Phone  
Do You Have Some One Youve Been Thinkin Of  
But Guess What I Got To Know  
Is There Some One You Really Love  
(If Not Then)

[Chorus:]  
I Wanna Talk To You  
Get To Know The Things You Like To Do  
Ive Been Searchin For A Special Girl  
And It Could Be You  
Cause In All My Dreams  
I See You And Me  
And Thats The Truth Ohhh...  
So Before You Go  
I Just Got To Know

Can I Talk To You Yeah...

So Tell Me What Is In The Man Your Lookin For  
If You Give Me A Chance  
Ill Show You Im All Those Thing And More  
You Must Think Im Crazy Im Feel So Ashamed  
I Got So Caught Up  
I Havent Even Asked You For Your Name

[Chorus:]

I Wanna Talk To You  
Get To Know The Things You Like To Do  
Ive Been Searchin For A Special Girl  
And It Could Be You  
Cause In All My Dreams  
I See You And Me  
And Thats The Truth Ohhh...  
So Before You Go  
I Just Got To Know  
Can I Talk To You Yeah...
