Indecent Proposal

Javier Colon

[Speaking:]
Look Jav, I can tell something is goin on between you
You seem like you have things on your mind,like you distracted
We've always been honest with each other
So if your heart isn't in this anymore, just let me know
Don't let me hear about what you're doing from somebody else...

[Verse 1:]
She feels how she must append
Cuz' she took me down, right on the ground
She's supposed to be my girl's friend
If she only knew what she's doing
I told her that she needs to leave
Because this could get risky
She wasn't trying to hear me
She took off them clothes, so here we go

[Chorus:]
You know we shouldn't be doing this kind of thing
I love my baby, and she loves me
Offer is tempting, though
Just can't get caught up
Indecent Proposal

Now if you were in my shoes, tell me what would you do
Bed warmers at the crib, keeping it warm for you
It's very clear to see, you're making this hard for me
Indecent Proposal

[Verse 2:]
I'm not gonna lie, she's looking tight
But this isn't right, it just don't feel right
She told me that she doesn't care (I don't care)
she wants me now (I want you now), here on the bed
How could she be so damn vowed
Just think about, if this got out
I worked too hard to give up now
Come on Javier, control yourself

[Chorus:]
You know we shouldn't be doing this kind of thing
I love my baby, and she loves me
Offer is tempting, though
Just can't get caught up
Indecent Proposal

Now if you were in my shoes, tell me what would you do
Bed warmers at the crib, keeping it warm for you
It's very clear to see, you're making this hard for me
Indecent Proposal

Oh...

[Chorus:]
You know we shouldn't be doing this kind of thing
I love my baby, and she loves me
Offer is tempting, though

```
Just can't get caught up
Indecent Proposal

Now if you were in my shoes, tell me what would you do
Bed warmers at the crib, keeping it warm for you
It's very clear to see, you're making this hard for me
Indecent Proposal

[Repeat Chorus]

[Closing:]
What we doing, we shouldn't be doing...
What we doing, we can't be doing...
What we doing, we shouldn't be doing...
```
