

Surrender

Javine

You know what?
It's time for you to surrender your love.

uh, uh, no.

It's not about what you wanna know,
The time is right and that's for sure.
It seems so silly but you complete me.
You're hanging back just to see,
Is another girl better than me,
Looks so pretty but she's the kind I'd leave.

What is it you're looking for?
I give you all you want and more.
It's not tricky
It's what it is, what it is so just...

Surrender your love, baby,
Surrender your love.
Surrender your love, baby.
Surrender your love.

uh, uh, no.

You shy away from the deal,
You're thinking 'bout something so real.
You think you're clever,
But the other side is better.

What is it you're looking for?
I give you all you want and more.
Never felt like this before,
It's what it is, what it is so just...

Surrender your love, baby,
Surrender your love.
Surrender your love, baby.
Surrender your love.

It's time for you to let yourself go,
There's so much more for you to know.
Surrender won't, surrender won't...no, no, no.
It's time for you to see just what I'm worth,
You make me so proud to be the first.
Surrender won't, surrender won't...no, no, no...

CHORUS:

Surrender your love, baby,
Surrender your love (You gotta surrender).
Surrender your love, baby.
Surrender your love. (Ooooooh)
Surrender your love, baby (surrender won't you let go; surrender don't you feel so),
Surrender your love. (surrender won't, surrender won't..come again..come again..uh, feels right).
Surrender your love, baby, (surrender won't you let go; surrender don't you feel so),

Surrender your love. (surrender won't, surrender won't..come again..come again..uh, feels right).
Surrender won't you let go; surrender don't you feel so.
Surrender won't, surrender won't..no...no...no....
Surrender (oooh)
Surrender your love (no, no, no)

Spoken:

You know what?

It's time for you to surrender your love.
