

Harder

Jax Jones

Baby, when it comes to love, it should be mutual
I know you think that you're on fire, but you kinda cold
And I need a little more than just the usual
But you should know (What you, what you gon' do?)
You should know

When you think you've done enough
Can you love me harder?
'Cause you know I need that
(Ooh-ooh-ooh, ooh-ooh-ooh, ooh)
Put in work and don't give up
Can you love me harder?
'Cause you know I need that
(Ooh-ooh-ooh, ooh-ooh-ooh, ooh)

(Haha, take it to the play)
Baby, take the time to get the flow right
Maybe you can get it for the whole night
I believe in you, know that you're the truth
Here's a little insight

We can make this love a little stronger
Ain't no other man can give me what you can
'Member what I told ya

Boy, you get me on the edge and now I'm getting close
You should know, you should know

When you think you've done enough
