

## Hello 2.0 (Legends Only)

JAY B

I'm jealous of the cigarette in your pocket  
It's closer than I've ever been to your heartbeat  
My head's in the clouds thinking you should join me  
So don't think twice  
Could be everything that you wanted (That you wanted)  
Come on over, I'll be showing you something brand new  
Before you know it, we'll be spelling our names in tattoos  
Are we gonna fight 'cause I'm doin' them things that men do?  
Aw, but it's all right  
After everything that we've been through, oohh

Hello  
Hop skip to the bed, don't let go  
Going from a zero to 100  
You could be my future ex-lover  
Hello  
I can't wait to say hello  
Hop skip to the bed, don't let go  
Going from a zero to 100  
You could be my future ex-lover  
Hello  
I can't wait to say

□ □ □  
□ □ □  
□ □ □ □ □  
□ □ □ □  
□ □ □  
□ □ □ □ □ □

□ □ □ □ □ □ □ yeah  
I can't wait to say

Hello  
Hop skip to the bed, don't let go  
Going from a zero to 100  
You could be my future ex-lover

Hello hello hello  
Hello hello hello  
Hello  
I can't wait to say  
Hello hello hello  
Hello hello hello  
I can't wait to say

Yeah  
Caught her on the feed of my 'gram  
That's how it started  
I hit her with a □□□□  
Got her attention  
Same city, area code  
You know I'm on it  
Put on my best suit  
Gotta leave an impression, say  
Hello  
Say she wanna take this to the next level  
Small talks, started gettin' sentimental  
Get down, hear her hit that falsetto  
Our pheromones risin' to the top (To the top, to the top)  
Take a breather, then run it right from the start (Run it right from the start)  
Powered up, up, I'm reloaded  
Right before I'm about to hit the road, yeah  
One last time 'fore I go  
I kiss her through the phone  
Fly her first class to my next show  
Sayonara 'till the next

So I could see this start with a hello  
Hop skip to the bed, don't let go (Ooh, yeah)  
Going from a zero to 100  
You could be my future ex-lover
