

Bottom Line

Jay Critch

I just put up with some Gs
He got a pack we gon get him
I had to balmain the denim
They gon play you if you let em
Go get the money that's bottom line
Ran up with the pack bout a hundred time
Imma pull out that wraith for the summer time
Niggas droppin' dimes like number 9
Remember them nights we were starving
My niggas ducking them charges
Step back, James Harden
Get the money we working the hardest
Imma go and take over the city
BK we cashing out vinnies
He say get money he silly
Pull up where he stay, run up with them digits

You ain't making no moves, you talk it we live it
Run down with the tool, we take it and split it
[?], cup full of Henny
VS on my tooth ain't been broke in a minute
Move how I move, nigga get with it
Bitch I can't move, my niggas winning
Imma fuck her one time and then I tell her [?]
Fuck her two times sign my name on her titty

I just put up with some Gs
He got a pack we gon get him
I had to balmain the denim
They gon play you if you let em
Go get the money that's bottom line

He say get money he silly
Pull up where he stay, run up with them digits

Big knots get the bands
Free Rico out that jam
It's that money they act like they fam
Remember riding that bus now we Lam
I got up, made a move, wow
Need a birds, need a few thou
[?] smoking too loud
What these niggas tryna do now
What these niggas really doing, nothing
[?] shooters and they up to something
They gon pull out with them toasters, ovens

Fucking on your main hoe, we loving

I just put up with some Gs
He got a pack we gon get him
I had to balmain the denim
They gon play you if you let em
