Ayy
The boys
Hood fav'
Talk money
Look (Ayy, ayy)

Tell 'em like don't get me started
I should've been in the special ed, diamonds going retarded (Ice)
And I got all of the Chrome Hearts, I should go get a Harley
Shawty ride it like a Yamaha, double cup like Barney
But I am not on no kiddy shit
Hood fav', I'm in this shit for some millions
Scratch that 'cause I'm in it for billions
I used to go hit a stain in my Timberlands
I make a bag with my bro and we splittin' it
Toolie is on me, I'm clicking it
Hop in the foreign, I'm pushing a button
I'm clicking it like I was fixing

He broke and he still ain't fix it
I roll the dice and I four, five, six it
Shawty keep askin' what's up with my double cup
Girl, just know that I'm sippin' it
I went and put my wrist up in the holy water just like it was a christening
Money the same color as the sky, the baddie the color of cinnamon
Ass fat, let me hold on to it
I got that bag, I'ma hold on to it
They was hating, I caught on to it
Ride with the strap, gotta hold on to it
Aye, shooter's like, "Oh, let's do it"
I swear I'ma boom, so don't make me use it
And if the baddie tryna line me
She get an ass shot, it ain't from cupid
It ain't from Dr. Miami
Don't be lacking tryna slide in them panties
You probably think that I'm cool now
Wouldn't like me back when I was off of the Xannies
I was jugging for a few pounds
And my pockets hurt, couldn't get it from granny
Like I'm signt up with Durk, it's Only The Family, I'm up in the Phantom lik
