Ayy

(Jamz, turn me up)

I get the money and I know what come with it (I know what come with it)  
I know these niggas wish I was still struggling (I was still struggling)  
And he got locked, but he ain't say nothing (Ain't say nothing)  
Brodie came home and you know he still thugging it (Know he still thugging it)  
Come with the tool, but you know I'm still tucking it (Know I'm still tucking it)  
Just keep it cool when you see me in public (See me in public)  
That boy was talking, he work with the government (Work with the government)  
She let me hit it, she don't know my government (Hey)  
I came up, I remember them hard days (Hard days)  
Used to bag up the pack in the hallway (Jugg, jugg)  
Take a baddie, coast out to the Barclays (Barclays)  
Make a tragedy, hit him in broad day (Graow)  
And they not with the gang, but they watching our pockets (Watching out pockets)  
They know we got this shit popping (Got this shit popping)  
I switch it up every time that they copy (That they copy)  
I tell her, "Pull up", and she just say, "Copy" (She just say, "Copy")

These niggas running they mouth, they money run out, and then they get way out of pocket (Then they get way out of pocket)  
I just be trying to talk about a bag, and them niggas always trying to change the topic (Always trying to change the topic)  
Brodie was stuffing work inside a bag, and then telling all the fiends to come and cop it (Jugg)  
I fuck with shorty 'cause she keep it classy, but you know she can get a little sloppy (Jugg, jugg, hey)  
Niggas could hate, but they could never stop me (Could never stop me)  
Pull out the Wraith and she all on my body (All on my body)  
Still moving plates like I'm making Hibachi (Making Hibachi)  
You can't relate, you ain't come from the bottom (Come from the bottom)  
Can't ball with us 'cause you niggas be flopping (Niggas be flopping)  
I got two heaters, it's Batman and Robin  
And I feel like Weezy, we still steady mobbing (Still steady mobbing)  
Still do you greasy, run up in your pockets (Run up in your pockets)  
I just woke up to a brand new deposit (Brand new deposit)  
These bitches birds, so you know that they flocking (Know that they flocking)  
Run up on me wrong and my shooters start flocking (Shooters start flocking, graow)  
If he ain't with me, you know that I got it (Know that I got it)  
Don't worry 'bout none of my niggas, I got 'em (I got 'em)  
I know they wish that we'd stop getting paid (Stop getting paid)  
It's light shows when I get up on the stage  
Light shows when they flooded my chain (Light show, light show)

I get the money and I know what come with it (I know what come with it)  
I know these niggas wish I was still struggling (I was still struggling)  
And he got locked, but he ain't say nothing (Ain't say nothing)  
Brodie came home and you know he still thugging it (Know he still thugging it)  
Come with the tool, but you know I'm still tucking it (Know I'm still tucking it)

g it)
