

## Familiar

Jay Critch

Aye, money familiar this shit isn't new to me  
I'm doing it for the family, they doing it for the jewellery  
AP, and it's 2 degrees  
From the jungle, ain't no zoo in me  
Dior bag, got the .2 with me  
Bitch don't call me with no foolery  
Niggas acting like they cool with me  
Mike Amiri came from Nudie Jeans  
Them niggas ain't never ballin'  
Only time they will call is if they rattin' or they suing me  
Bro got locked in for 2 to 3  
Ain't going outside, man forget it  
Increasing my money in credit  
Admit it, just give me my credit

They wish they could go out and have it  
My bitch a baddy, she a heady  
I can't lack when I be moving'  
If they plotting' I'll be ready  
It don't matter if he movie'  
You know cuzo a steady  
And my bloody bringing' heavy  
Rip bloody like spaghetti  
And I got racks, I don't wanna relax  
My niggas to be on the way but you know we all on the mat  
I'm on a private plane, I go all over the map  
I'mma be stuck in my ways till I get old and collapse  
They wasn't there in them days when we was all that we had  
And you know the way shit changed, just put a load on a stash  
I took some losses, wish I could take all of 'em back  
Niggas can't hear 'cause I feel 'em watching' right over my back
