

# Handle

Jay Critch

(BrentRambo)

Ayy

Hood Fav

Jugg for the— (Too smooth) ayy

Hit a jugg for the racks, too smooth

Hit a jugg for the—

Uh

Hit a jugg for the racks, too smooth (Smooth)

Keep a tool if you got loose screws (Screws)

I just sit back and watch how they move (How they move)

I be really surprised by this shit (Wow)

But I really got ties in this shit (Mob ties)

With the gang, know I'm stuck right with it (30)

Double cup, now I'm stuck right with it (Lean)

Made a plan and I stuck right with it (Hey)

LV sweater, it's fitted

I drop that bag on your head like fitteds (Like fitteds)

Nigga been flexin' like Randy Orton

Try to rob and they lightin' a candle for him

Diamonds shinin' like I got a candle on (Ice)

Big body whip, I can handle it (I can handle that)

You want a bag, can you handle it? (Can you handle that?)

Tool got the grip on the handle (Boom)

Hood Fav, they know the handle (Hood Fav)

I'm in the game, I got handle (Yeah)

In my city like Julius Randle

But you know I'm on the winning team

I got fouled at the line, had to sip a three (Lean)

When I'm talkin' this money, don't intervene (Don't intervene)

I remember this shit was just in my dreams (In my dreams)

Now I got baddies up in the V (Baddies)

Everyone say that they having, well, what are they having? 'Cause niggas ain 't having cheese (Nah)

I was so broke, I 'member I would be happy just to have a pack of weed

But now I raised up the salary (The salary)

Now an opp get burned like calories (Grrah)

And my closet is filled up with Gallery (Drip)

And my bro got a bag, we matching (We matching)

Hood Fav heatin' up like matches (Like matches)

Run it up like my big bro Matches (Matches)

Double cup all pink like Patrick (Patrick)

And my wrist livin' under the sea (VV)

Me and Bundy still up off the lean (Al Bundy)

And we rockin' that drip by the season

Little baddie, she want me to seed it (Baddy)

And I'm still screamin', "R.I.P. Feezy" (Nico World)

Hit a jugg for the racks, too smooth (Smooth)

Keep a tool if you got loose screws (Loose screws)

I just sit back and watch how they move (Watch how they move)

I be really surprised by this shit (Wow)

But I really got ties in this shit (Mob ties)

With the gang, know I'm stuck right with it (30)

Double cup, now I'm stuck right with it (That lean)

Made a plan and I stuck right with it (Hey)

LV sweater, it's fitted  
I drop that bag on your head like fitteds (Louis)  
Nigga been flexing like Randy Orton  
Try to rob and they lightin' a candle for him  
Diamonds shinin' like I got a candle on (Ice)  
Big body whip, I can handle it (I can handle that)  
You want a bag, can you handle it? (Can you handle that?)  
Tool got the grip on the handle (Boom)

So they understand  
I already did everything I wanted to do in life  
Fucked all the bitches I wanted, get all the money, drove all the cars
