

LOSSES

Jay Critch

(Slayter Holla At Me)
(Yeah)

Nigga I learned from my losses
Niggas surrounded by bosses
Percoset 30 I'm nauseous
Cops pulled me over I tossed it
Cops pull me over I'm silent (shh)
Sippin wock hard on an island
I fuck that bitch she smiling
I hit it raw I'm wiling (yeah)
In the v12 with straps in the middle
I'm overseas with a bitch from the ghetto
I wear my diamonds like it's a gold medal
I cannot save her cause I'm not a hero
I be in my hood niggas made me a mural
Bank account zeros on zeros on zeros
Got that old money like Robert DeNiro
Cut my mans off cause he move like a weirdo

Coat by Christian Dior
My new bitch from DR
Double R roof I see stars
And my gun fit in my GSTARs
And the gun spin like retard
Ain't shit free bitch we charge
My bitch a movie star
Live life fast like my car
I'm a codeine fiend I'm addicted to wock hard
I know my role and I always play my part
Rocking Ralph Lauren like I'm in a golf cart
