

# Replace

Jay Critch

Turn me up  
Hey  
Jay Critch, hood fave  
Talk Money Gang  
Jamz turn me up (Hey)

I'm in the Wraith, feelin' like I'm outer space, ayy  
I blow a bag then you know it get replaced, wait  
Diamonds go apeshit, making you cover your face, ayy  
Shorty just take dick (Hey), I don't take her on a date  
They always frontin', I'm on to something  
I just made a play for the green  
I need an award or somethin', we all be stuntin'  
I'm breaking bread with the team  
We got it all from nothing, the hoes is coming  
They know the money with me  
Check out the stones, that's lot of VV  
I'm on the road like I popped a bean

My shooters don't pass, they jackin' from deep  
You can't get a pass, stop jackin' the team  
Spent five on a bag, my jacket cost three  
I get me the bags, then I gotta leave, ayy  
I don't care what you sayin', I don't know you  
Diamonds goin' Super Saiyan like Goku  
Young nigga make a lot of bands off of Pro Tools  
Niggas juggin' off the flip phone like it's '02  
And I gotta keep it real, keep it old school (Keep it real)  
Niggas saying that they will, but they won't do  
Had to do it for the hills, what I told you? (For the hills)  
I was in the chicken spot, now it's Nobu (Hey)  
And we going worldwide but y'all local (Local)  
Just chill out, you niggas too heavy (Heavy)  
Quit cappin', you niggas ain't ready (Ain't ready)  
The Jattic is giving me headaches  
But my pinky ring look like confetti (Ice)  
Fuck a ho, I just want me some cake (Want me some cake)  
The strap is close, mama told me be safe (Graow)  
I had to go put the racks in the safe (Hey), ayy

I'm in the Wraith, feelin' like I'm outer space, ayy  
I blow a bag then you know it get replaced, wait  
Diamonds go apeshit, making you cover your face, ayy  
Shorty just take dick (Hey), I don't take her on a date  
They always frontin', I'm on to something  
I just made a play for the green  
I need an award or somethin', we all be stuntin'  
I'm breaking bread with the team  
We got it all from nothing, the hoes is coming  
They know the money with me  
Check out the stones, that's lot of VV  
I'm on the road like I popped a bean

That's a fact, pockets full with the G's  
Watch your back, block a hundred degrees  
I don't do shit for free, they payin' a fee  
I'm flexing hard, gotta watch what I eat

Diamonds shine like they brushing they teeth  
Dancin' like tutus, new whip with the moon roof  
All of my niggas connected like Bluetooth  
Niggas broke, they better go get a Blues Clues  
I be first to that money and you lose (You lose)  
I be first to that money and you lose (You lose)  
The bankroll all hundreds, it's true blues  
If she suckin' me right, get her new shoes (Sucking me right)  
Tell her hold the toozy 'cause I gotta lay low  
Might put the bitch on the payroll  
I had rips in my Nudies now I got the bankroll  
Might catch a flight to Tobago  
Hood fave, I stay talkin' 'bout a check  
Pockets correct  
I been ballin', keep my foot on they neck  
Pussy boy callin' a tech'  
She keep callin' but I told her just put it to rest  
Shorty, I'm on to the next (Hey)  
Good brain like she takin' a guess  
Money long range, I be making it stretch  
Just get the cheese, what's the hold up? (Hold up)  
Make some plays off of that Motorola (Motorola)  
Green on me like I'm Yoda (Yoda)  
Said she wanna taste, want a sip of this soda (Sip of this soda)  
New chain heavy, feel like a boulder (Hey)  
The 'Rari sick like this shit got Ebola (Shit got Ebola)  
My necklace is stackin' up, it's getting colder (Colder)  
Like Tetris I stack it up 'til it's game over (Game over)

I'm in the Wraith, feelin' like I'm outer space, ayy  
I blow a bag then you know it get replaced, wait  
Diamonds go apeshit, making you cover your face, ayy  
Shorty just take dick (Hey), I don't take her on a date  
They always frontin', I'm on to something  
I just made a play for the green  
I need an award or somethin', we all be stuntin'  
I'm breaking bread with the team  
We got it all from nothing, the hoes is coming  
They know the money with me  
Check out the stones, that's lot of VV  
I'm on the road like I popped a bean

Ayy, I'm in the Wraith  
Wait, diamonds go apeshit, makin' you cover your face  
Ayy, I'm in the Wraith, feelin' like I'm outer space  
Wait, diamonds go apeshit, makin' you cover your face
