

## Wake Up

Jay Critch

Count up hunnids when I wake up  
Next to a bad bitch with no makeup  
I'm a line a nigga like a tape-up  
I'm a real nigga, I dont say much  
Why they actin' all surprised that I came up?  
Why these fuck niggas got they eyes on my paper?  
Hood Fave, bitch, my city treat me like the mayor  
I been talkin' money, tell her, "Holla at me later"  
Count up hunnids when I wake up  
Next to a bad bitch with no makeup  
I'm a line a nigga like a tape-up  
I'm a real nigga, I dont say much  
Why they actin' all surprised that I came up?  
Why these fuck niggas got they eyes on my paper?  
Hood Fave, bitch, my city treat me like the mayor  
I been talkin' money, tell her, "Holla at me later"

We hit a jugg, tryna hit another later  
I wish you would  
Still in the hood, I ain't worried 'bout a hater  
That pussy good, I got bitches different flavors  
Like I'm playin' for the Lakers  
She wanna fuck, that's your bitch and I'ma take her  
That bitch a slut, I was doin' you a favor  
I'm still the [?], water on me like a glacier  
That bitch changed, got no cash, shorty, hoo-hoo  
Niggas talkin 'cause they mad, I'm like, "Who you?"  
Stayin with the 4-5, not a 22  
Run up with my slimes, we still get the blues clues  
Balmain but I used to Trues

Count up hunnids when I wake up  
Next to a bad bitch with no makeup  
I'm a line a nigga like a tape-up  
I'm a real nigga, I dont say much  
Why they actin' all surprised that I came up?  
Why these fuck niggas got they eyes on my paper?  
Hood Fave, bitch, my city treat me like the mayor  
I been talkin' money, tell her, "Holla at me later"  
Count up hunnids when I wake up  
Next to a bad bitch with no makeup  
I'm a line a nigga like a tape-up  
I'm a real nigga, I dont say much  
Why they actin' all surprised that I came up?  
Why these fuck niggas got they eyes on my paper?
