She know the name that's why she wanna blow me
Nigga feel the pain that's why real niggas know me
When she see the chain she gon' bust it wide open
First pint told her bust it wide open
Fresh purse, these niggas is joking
Ever since I got a shawty, act like she know me
I'm balling in Fairfax like I'm Kobe
Rockin' the Airmax like it's '03
Stay the same that's what my momma told me
