

Bonnie And Clyde

Jay Electronica

Vous avez lu l'histoire de Jessie James
Comment il vécut, comment il est mort
Ça vous a plu, hein, vous en d'mandez encore
Eh bien, écoutez l'histoire de Bonnie and Clyde

Alors voilà, Clyde a une petite amie
Elle est belle et son prénom c'est Bonnie
À eux deux, ils forment le gang Barrow
Leurs noms, Bonnie Parker et Clyde Barrow
Bonnie and Clyde, Bonnie and Clyde

I'm swimming in light like my homie in cocoon
The truth like bones of man under the moon
We reign all year round from June to June
While niggas bite immediately if not soon
Peace to GZA, no beef with RZA
Please Flex, drop an atom bomb on the wizard
Hurricane Katrina winds, blow me a blizzard
FEMA is an acronym show me who is it
New Orleans on the map again, the flow is exquisite
Soul-controller, Third Ward soldier
Jay Elec scratch and sniff, smell of magnolias
I fell back from rap then hailed back with Hova
Just like I told you on "Extra Extra"
You fucking with a young black Professor Tesla
A two-faced handshake rejects the gesture
Turn the other cheek and caress the scepter

À eux deux, ils forment le gang Barrow
Leurs noms, Bonnie Parker et Clyde Barrow
Bonnie and Clyde, Bonnie and Clyde

It takes a nation of millions to advertise ya
But only one Benedict to sabotage ya
Ever heard of Malcolm Little? Ask Elijah
You'll never reach heaven 'til your past defy ya
The internet labeled me a cult-like savior
Class A grader, Complex, Fader
Hit a nigga with a lightning bolt like Vader
The Earth spins every time the sun strike equator
Mind's the magnet, body is the cabinet
Lace up my Ballys and wallow in the magic
I can't help it, Mont-Blanc felt tip
Y'all move lowkey but we stay stealth-ish
Hail Roc Nation
New World Order Ministry of Information, bitch nigga stop hating
Y'all pop shit, we ready, y'all waiting
Y'all not ready for the colonization
Quit faking

À eux deux, ils forment le gang Barrow
Leurs noms, Bonnie Parker et Clyde Barrow
Bonnie and Clyde, Bonnie and Clyde

Eh bien, écoutez l'histoire...
