

The Overwhelming Event

Jay Electronica

I don't wanna waste any time
I ask the question who are the real children of Isreal?
And I'd like to answer it right away
Go ahead, give us the answer
Like any good lawyer in a courtroom
He tells you what he's gonna do
Alright!
And then he goes ahead and proves it and let the jury make the
decision
The honorable Elijah Muhammed has said that almighty God Allah
revealed to him
That the black people of America are the real children of Israe
l
And they - we- are the choice of God
And that unto us, he will deliver his promise
That's right!
