When the musics in my system  
Ain't no tellin' if he Muslim if he Christian  
That's what they be yellin'  
I'm god by blood  
Not relation  
So what a bum bum is from creation  
I never got hated on directed to my face  
I never got tased  
I never got maced  
I never went to jail without rumbling the cops  
Who thought a nigga was a slave trying to put me in my place  
And that's just the preface  
A universal message from the land of the lepers  
The camouflaged wolves stealing lambs from the shepards
