

Welcome To Knightsbridge

Jay Electronica

You know the flow is like Hosanna Hosanna
Congressional Medal of Honor
Put you over seas and cut the check to your momma
True gentleman, please Kate Middleton
Ring me on the dog and bone, when you bored with William
His lineage don't even go back four millenniums
The Black Moors is back baby we on ten again
Kush in the jacket, walking out of Hackett's
Spotted me an address so I walked her to the mattress
Pornstars AVN Awards, cinematrix
Uh-huh, and you looking real pretty though
We can take a few flicks, just no video
To tag me on facebook, and upload to Vimeo
Peep the Tumblr
I'm carrying the Roc and I know it was a fumble, we just laugh
at you thadunda
You could pay for school, but can't buy class
You said you rocking diamonds, then you can't buy the glass

Its a Roc Nation Jay Electronic-extravaganza
The fans need an oxygen mask for every stanza
Cuz it don't matter if Black or Anglo Saxon
You see a holy El gliding across the stage with icy gloves and
socks on
You'll be crying baby Jesus tears in your popcorn
Call the Ghostbusters up, tell em we got one, the keymaster ret
urneth
Escape from the fiery furnace, niggas don't concern us
Uh-uh, what's your name, what's your sign
Soon as you try and shine, hater creep up from behind
The Vatican preaches Jesus then they creep up with the swine
And enslave the people of God and have them sweep up at the shr
ine
Don't get it twisted though, you can call me a rapper
You can call me an actor, you should call me a master
You could call me a taxi cab to the Royal Sonesta
I never let a screwface heckle spoil the lecture, no
